Fish and chicken dinners may contain small bones. La Playa is not responsible for individual allergic reactions to seafood. Eating oysters may cause severe sickness, even death in persons with liver ailments. (Alcoholics, cirrhosis, hepatitis, etc.) Cancer or other sickness that weakens the immunization system also contributes to a higher risk of illness. If you eat oysters or any seafood, and feel sick, get medical attention immediately. If you are not sure that you are in danger, please consult your physician immediately.
